

Supplementary Examination Announcement

INTERMITTENT LABORER (MAINTENANCE) - 21687

Hourly Rate: \$14.62 - \$20.88

General duties: An Intermittent Laborer (Maintenance) on an intermittent basis (with no more than 1500 cumulative work hours in a calendar year), performs routine manual labor for the Department of Natural Resources at State tree nurseries, State game farms, State fish hatcheries or in the Roadside Seeding Project, involving seeding, weeding, hauling, cleaning and disinfecting buildings, repairing pens, mowing, assisting in hauling of birds, painting buildings, operation of farm equipment and performance of other general maintenance duties.

Type of employment: The eligible list resulting from this examination will be used to fill seasonal positions in Department of Natural Resources in counties listed below. Work schedules will vary depending upon the work load and the availability of individuals for certain periods of employment. However, only those individuals who are willing to work at various times during the year, on an unscheduled basis within regular daytime hours, are encouraged to apply for this examination. Anyone interested only in comparable permanent full-time employment should apply for examinations such as Maintenance Worker, Conservation Resource Technician I and Site Technician I. The maximum number of hours which an Intermittent Laborer (Maintenance) may work in a calendar year is 1500. An appointment to this Intermittent position cannot be changed subsequently to a regular full-time appointment.

Desirable training and experience: Completion of eight years elementary school; or equivalent training and experience.

Knowledges tested: Written instructions; Grounds Maintenance; Equipment Operation & Maintenance; Mathematics; Building Trades.
